Dear Sirs

Proposed Rother Valley Railway (Bodiam to Robertsbridge Junction) Order
Hoad Family: Obj 1002

In your letter to us of 25 July 2018, in response to our request of 11 July, you drew our attention to the fact that the book of reference records the owners of plot 62 as Andrew Thomas Hoad and Lynn Hoad whereas the registered proprietors are Andrew Thomas Hoad and Thomas Hoad. You also advised us that the land in question is jointly held in trust for William Hoad.

We thank you for providing this information, and confirm that we have amended the book of reference. Ownership of this plot is now recorded as Andrew Thomas Hoad, Thomas Hoad, Andrew Thomas Hoad as trustee in favour of William Hoad and Thomas Hoad as trustee in favour of William Hoad.

We note that Thomas Hoad was served with notice in relation to a number of plots but, for completeness we have prepared the enclosed further notices for each of the parties.

We take the view that, as you have already submitted an objection on behalf of the Hoad family, including Thomas and William Hoad, no further objection is required.

Yours faithfully

Winckworth Sherwood

Rother Valley Railway Ltd ("the Company") of Robertsbridge Junction Station, Station Road Robertsbridge, East Sussex TN32 5DG is applying to the Secretary of State for Transport under section 6 of the Transport and Works Act 1992, for the above-mentioned order under sections 1 and 5 of that Act.

The draft Order would authorise the Company to construct, operate and maintain a new railway and to operate and maintain two existing railways between a junction with the existing Kent and East Sussex Railway line at Bodiam and a terminus at Robertsbridge, all in the County of East Sussex, District of Rother. The Order would also authorise level crossings across the B2244 Junction Road at Udiam, Salehurst bridleway S&R36b and the A21 and Northbridge Street at Robertsbridge.

The Order includes provisions for –

- the compulsory acquisition of land for the proposed works and ancillary purposes, including worksites; and provisions for the temporary use of land in connection with the authorised project;
- power to investigate and survey land;
- the temporary stopping up of highways; provisions relating to streets, traffic regulation;
- other miscellaneous provisions.
-

The draft Order provides for

- the compulsory purchase of, and of rights in, and rights to use, the land described in the Schedule below, in which it is believed you have an interest; and
- the extinguishment of rights in that land.

This application is made subject to an environmental impact assessment.

A copy of the application and of all plans and other documents submitted with it, may be inspected free of charge from 19 April to 31 May 2018 at the following place and times:
