YOUR COMMENTS ON THE CASE

I vehemently oppose Luton Airport future expansion plans, for reasons including:
*NOISE levels unbearable already in the neighbourhood
*EMISSIONS already defy climate change recommendations
*Night flights continue indicating a LLA total ignorance of local sleep needs - other airport offer an armistice between 11pm and 6pm
*LLA have the infernal cheek to charge 'drop off' charges which result in extra traffic parking congestion in the area to avoid such charges
*the Airport is supposedly owned by LBC BUT it's very own rate payers are NOT allowed to use their own property to shop - years ago the shopping area at the Airprot was open for use … but not now - WHAT ????!!!
*WIZZ continued to use Luton Airport during the initial Covid restrictions - with disregard to 'lockdown' recommendations and it seemed LLA oblivious to our country's demands …
*LLA are in huge debt and will go to all lengths despite their neighbours disdain; to regain MONEY at all other costs. Changing their name is another indication of their deliberate attempt to use every trick in the book to regain their MONEY. "MONEY is the source of ALL evil?".
