YOUR COMMENTS ON THE CASE

So many reasons to oppose increasing flights from Luton Airport apart from my self interest - ie they disturb me, especially at night. What about Net Zero and what about the climate emergency?
Increasing flight capacity is the Wrong Way To Go - Luton will be seen as being backwards-looking, not go-ahead, thinking of the future. I find it hard to believe that this increase in flights and noise is even being considered....the plans are completely out of step with the zeitgeist - in twenty years time we will find it incredible that these plans were even being considered.
I most definitely OPPOSE the plans.
