YOUR COMMENTS ON THE CASE

Totally against expansion. POLLUTION and NOISE pollution. Words about cutting back on aspects that are destroying the world are useless unless action is taken. It is VITAL that councils, companies and individuals take responsibility.
Our beautiful country is being spoilt by selfish greed, disregarding the impact on surrounding areas of development. Like a pebble in a pond, the ripples go outward. Trying to validate expansion of the airport is trying to pull the wool over people's eyes. We are not that gullible.
I have lived in Luton near the airport... noise, fuel smell, congested roads..... why would I want to extend that situation.
IF ANYONE IS READING THIS, LOOK TO YOURSELF. DO YOU HONESTLY WANT TO BE A SUPPORTER OF GROWING DESTRUCTION OF OUR WORLD?
