YOUR COMMENTS ON THE CASE

As a local resident I am finding the prospect of a large increase in flights and passengers quite alarming.
My main objection is the worsening of noise due to overflying. Each flight now means the inability to have a conversation in our garden.
The increase in passenger numbers will have a large effect on the road traffic in our area which is situated between the A1(M) and the airport.
There seems to be no benefit to local residents from the proposed expansion the only winners will be Luton Council.
