Hello,

I trust you are well, I have received your objection from the Transport Infrastructure Planning Unit (TIPU) the department who undertakes Transport Works Act Orders for the Department for Transport and have attached Network Rails response to your concerns and objections.

Please find attached document. If this has helped then I would really appreciate if you can kindly respond to TRANSPORTINFRASTRUCTURE@dft.gov.uk notifying them that you are happy to withdraw your objection.

If there is anything else I could help you with please don't hesitate to get in touch.

Kind regards
Rory McKeever
