Dear Mr Sinclair,

Mrs Vivienne Gilliard 77 Calton Avenue London SE21 7DF

I have recently been contacted by my constituent, Mrs Vivienne Gilliard, regarding the expansion of London City Airport.

Ms Gilliard is especially concerned about the increased pollution that will result from the expansion. She believes that airports should not be expanding at such a crucial moment for the climate. Furthermore, she is also concerned that the expansion will lead to greater noise pollution, affecting residents across London.

My constituent also believes that the consultation run by Newham Council and London City Airport only took into account the effect on residents close to the airport, ignoring the fact that residents across London will also suffer from the increased noise and air pollution.

I would be grateful if you could respond to the issues my constituent has raised.

I look forward to hearing from you.

Yours sincerely,

Helen
