Hi Liam,

Thanks. The quote is from Natasha Hart MBE, Chief Executive of Newham All Star Sports Academy (NASSA). Natasha is copied in on this email and will verify that the quote is from her, if that is needed.

"London City Airport has been a valued supporter of Newham All Star Sports Academy (NASSA) for 15 years, funding sports sessions for thousands of under-privileged local young people in the Borough of Newham. It has also supported community mental health work carried out by NASSA coaches and given local young people the chance to gain officially recognised sports qualifications with which to impress potential employers. Through this planned expansion, London City Airport has promised to give even more support to local organisations like NASSA to benefit local young people at a time when it is desperately needed. Through NASSA, I wholeheartedly support this planning application. Thank you."

Many thanks,
