

Consultee Comment for planning application R3.0138/21

Application number	<input type="text" value="R3.0138/21"/>
Name	<input type="text" value="Mrs Wheeler"/>
Address	<input type="text" value="Didcot Town Council Council Offices Britwell Road OX11 7HN"/>
Type of Comment	<input type="text" value="Support"/>
Comments	<div>Didcot Town Council's Planning and Development Committee would like to fully support this application. The HIF1 project is necessary to relieve congestion and support the existing and new developments throughout Didcot, such as Valley Park, Didcot Northeast (along with Willington Down Farm, Ladygrove Farm, and the Miller Homes site), and the Lagygrove East development. The Committee has some reservations regarding the impact on air quality, as well as the policing of the road in terms of speeding and traffic offences.</div>
