Important Notes Relating to the Council's Decision

1. Appeals to the Secretary of State

- If you are aggrieved by this decision of the council as the local planning authority to agree to the non-material amendments to the existing planning permission referred to in this decision notice subject to conditions you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If an enforcement notice is or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, OR within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal.
- Further details are on GOV.UK (<https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>).

2. Other Approvals Required Prior to The Implementation Of Planning Permission.

- The agreement to these non-material amendments does not relieve the developer of the necessity for complying with any Local Acts, regulations, building by-laws and general statutory provisions in force in the area, or allow them to modify or affect any personal or restrictive covenants, easements, etc., applying to or affecting either the land to which the permission relates or any other land or the rights of any persons or authorities [including the London Borough of Southwark] entitled to the benefits thereof or holding an interest in the property concerned in the development permitted or in any adjoining property.

3. IMPORTANT:

- This decision agrees to the carrying out of the non-material amendments described to the original grant of planning permission referred to in the decision notice and must be read together with that original planning permission and is subject to the conditions imposed and the notes contained in that original decision notice unless those conditions and notes are expressly altered or superseded by this decision notice.
