Comment:Hi,

I've read through the documents and I don't see it listed anywhere that this is a popular bridge for walkers/dog walkers.

I walk over this bridge every day as part of a nice walk with my dog - starting on New Sturton Ln, down to makins farm, across the bridge, alongside the farmland, and around the wooded area round the back of green lane primary academy.

It's one of the few quiet, rural routes near my house. Is there any possibility of a small replacement bridge for pedestrians around the same area?
