Commenter Type: Neighbour response

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I fail to understand how a listed bridge/building can be demolished. Why have such an order as a listing in the first place if it can be overruled? This will be the second/third historic bridge to my knowledge that will have been removed from Garforth due to the electric railways. There will be nothing left of historic Garforth at this rate. I would also be interested to know what will become of the old bricks should this request go ahead? I strongly object just as I did to the removal of the bridge at Garforth station and the monstrosity of a bridge which is currently been built.
