Dear Angela

The Network Rail (London to Corby) (Land Acquisition, Level Crossing and Bridge Works) Order ("the Order")

Network Rail Infrastructure Limited ("Network Rail") are continuing to engage with landowners regarding the powers sought in the above Order.

Network Rail has now developed an alternative method of reconstructing Station Road bridge, at Isham, without requiring compulsory purchase powers. I therefore write to inform you that Network Rail is withdrawing its application for the compulsory powers sought in the Order in relation to this bridge crossing (that is, over plots 701 to 719).

A revised Order will be submitted at the start of the Inquiry that removes all elements relating to this.

Network Rail will write to all landowners and objectors, in relation to this crossing, to inform them that this element of the Order will be withdrawn.

Yours sincerely

Mark Aanensen
