Subject: Bromham road bridge Bedford

I OBJECT to the Order being conferred to rebuild the Bromham Road rail bridge unless provision is made to provide a 3 metre or wider dual use cycle/pedestrian path on the north side of the bridge. Mention should then be made for the reasons previously cited.

This bridge provides the main access to town for walking and cycling school pupils attending Biddenham Upper School and residents of Biddenham, Bromham and the new estates being built inside the new bypass.

To lose this once in a lifetime opportunity to provide a cycle/pedestrian path would be a grave mistake.
