**Subject:** Network Rail (London to Corby) (Land Acquisition, Level Crossing and Bridge Works) Order

Good Afternoon,

I OBJECT to the Order being conferred to rebuild the Bromham Road rail bridge unless provision is made to provide a 3 metre or wider dual use cycle/pedestrian path on the north side of the bridge.

Currently, cyclists have to share the road space on a single carriageway which is on the brow of incline and bend which will be made worse if the slope of the bridge has to be increased to clear the overhead wires.

Kind Regards,

Steve Floyd
