

Good afternoon Joanna

The Inspector requested a copy of Mr Wright's email (below) in relation to crossing C14.

Kind regards

Jane

Subject: Re: Network Rail's Anglia Level Crossing Reduction Strategy IDB drain Query

Good morning James

We undertake maintenance on a rotation basis and will do on the field side and then on the railway side

We are looking at wedcutting which would deposit the material on the drain side rather than the field

Under the Boards byelaws we restrict the erection of structures and planting of hedges within nine meters of the drain brink

Trust this helps

Regards Russell
