Dear Sirs

**Our Client: University of Essex
Network Rail (Essex and Others Crossing Reduction) Order - BK-BK.FID423902**

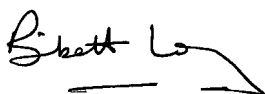

Further to the Planning Inquiry that recommenced on 25 September 2018 in connection with the above, please note that a costs submission will shortly be submitted on behalf of the University of Essex. The submission has been finalised although we await authority to serve the same once the individual providing instructions returns to the office from annual leave.

We anticipate that we will be in a position to provide our client's costs submission at the start of the week commencing 29 October 2018 although felt it prudent to notify the Inspector of the above. In the event that the Inquiry is envisaged to run short for any reason we would be most grateful if you would kindly notify us at your earliest convenience.

We would be most grateful if you would kindly acknowledge receipt of this correspondence and confirm that the contents of the same have been relayed to the Inspector.

Many thanks in advance for your assistance.

Yours faithfully

Birkett Long LLP
