Sub: Expression of Interest (EOI) to purchase Sahaviriya Steel Industries UK Limited's assets at Redcar, United Kingdom

Dear Sir/Madam,

Further to your meeting with our representatives in Bangkok and our recent communications, this letter serves as notice of our expression of interest to buy the land and steel making assets of Sahaviriya Steel Industries UK Limited.

We understand you have undertaken detailed engineering studies on the feasibility of restarting steelmaking and consider this information useful for us to evaluate our restart proposal. As such, we should be grateful if you would arrange the following:

1) Access to the site in the week ending 20th September 2019 for Mr. Li Ganpo, Chairman of Jing Ye Group and Mr. Bill Wang, President of Jing Ye Group; and

2) Release of your engineering study into the state of the plant as performed in February, 2019.

We remain,

Sincerely yours,

On behalf of the firm:
