Dear Sir/Madam

The South Tees Development Corporation (Land at the former Redcar Steel Works, Redcar) CPO 2019)'the Order')

This is a response on behalf of National Grid Electricity Transmission PLC (NGET).

NGET has agreed an appropriate form of Asset Protection Agreement with the South Tees Development Corporation.

Engrossments of the Agreement have been sealed by NGET and the agreement is now completed.

On this basis, NGET is satisfied that appropriate contractual and statutory protections have been agreed in respect of their apparatus, and hereby withdraw their holding objection associated with the Project.

I hope the above information is useful. If you require any further information please do not hesitate to contact me.

Yours sincerely

Spencer Jefferies
