To whom ever this may concern

I, Philippa Russell, am objecting to the Rother Valley Railway (Bodiam to Robertsbridge) Order.

I feel that the planned level crossings, specifically the one over the A21 will cause huge disruption to motorists and is contrary to the Government's and Network Rail's policy to remove as many level crossings as possible as they are deemed to be dangerous.

I also have concerns that there are no compelling case's for Compulsory Purchase powers to be used to acquire land for non essential infrastructure/hobby railway. I feel this is wrongful and highly unethical.

Regards

Philippa Russell
