**Subject:** The Robertsbridge to Bodiam Railway

Dear Sirs,

I strongly object to the

Railway from Robertsbridge to Bodiam

Because

I am against Compulsary Purchase of private land .

My husband Sir Anthony Williams KCMG Was the British Representative forming Human Rights in Geneva

I think Compulsary Purchase for fancy toy railways is against Human Rights.

I object to

3 Level Crossings one of which across the overloaded A21 I object to The upset and disturbance during construction I object to the upsetting of wildlife I object to the Railway running near my house which I inhabited for 50 years.

I therefore urge you NOT to allow this proposal to take shape.

Hopefully ,

Lady Hedwig Williams,
