Subject: Objection to Rother Valley Railway (Bobiam to Robertsbridge junction) order

this obejection is from Mr S A King and Mrs F M King.

Our objections are the following:

- 1) Close proximity to Northbridge Street and Rutley Close.
- 2) Flooding - having been flooded at least 10 times since the building of the by-pass the building of the railway will make the situation worse especially for the lower half of the village,
- 3) Traffic congestion on the A21, Northbridge Street and the village in general.
- 4) No infrastructure to cope with a large influx of people and vehicles I.e. parking.
- 5) Environmental impact ... Noise and pollution
- 6) the miss use of compulsory purchase of land for what is an enthusiasts railway.

Mr and Mrs King
