From Alastair Neill

Dear Sir/Madam

I would like to object to the Rother Valley Railway(Bodiam to Robertsbridge Junction) Order on two grounds:

I do not believe that there is any compelling or indeed moral case for the use of compulsory purchase orders for something that is not for the general public benefit. It would appear to set a precedent for land grabbing by those who have the most financial backing.

As a player and coach at Robertsbridge Cricket Club I am concerned that the extra infrastructure will lead to increased flooding of the cricket ground and lead us to extra insurance and clean up costs.

yours sincerely  
Alastair Neill
