Subject: RE: Rother Valley Railway - Robertsbridge to Bodiam Proposal A21

Dear Sir,

I write to object to the above scheme which serves no useful purpose but will pose a great public safety risk on the A21 level crossing east of Robertsbridge in close proximity to a roundabout, and further impede traffic on an already very difficult road (the A21) which links London to Hastings. If there is money for this scheme then there is surely money to make a dual carriageway from Lamberhurst to Hastings on the A21.

Yours sincerely,

N.A. Young FRICS
