Subject: Rother Valley Railway (Bodiam to Robertsbridge Junction) Order)

Dear Sirs

I write in connection with the above and state my reasons below for opposing the plans:

- 3 level crossings across the A21, B2244 and in Robertsbridge
- another crossing across the bridlepath
- destruction of wildlife and trees along a beautiful unspoilt valley
- noise and emission pollution
- parking and congestion in Robertsbridge
- no tangible benefits to local area
- laying the track across a flood plain in Robertsbridge

Please send any future correspondence to

Regards
Melanie Hellmuth
