Subject: Rother Valley Railway (Bodiam to Robertsbridge Junction) Order)

Dear Sirs,

We are writing to you regarding a Planning Application (Ref: RR/2014/1608/P) to extend the Rother Valley Railway from Bodiam to Robertsbridge. Our understanding is that this would involve constructing three level crossings, one of which would cross the A21 near Robertsbridge.

Building a level crossing on the A21 would interrupt traffic movements would, making this dangerous road even more dangerous and therefore be extremely unwelcome.

We therefore, strongly object this planning application.

Regards,

Elizabeth & Scott Woodsell
