Subject: Compulsory Purchase Order Moat Farm

Dear Mr Grayling

I would like to add my protest to the compulsory purchase order of Moat Farm near Robertsbridge so that a long defunct railway line can be rebuilt across, amongst other roads, the A21 Robertsbridge by-pass.

This stretch of road is already very busy especially at peak times and will be made even worse with a railway crossing over it - what was the point in building a by-pass in the first place if a non-essential facility is going to block it on a regular basis?

It appears that a few people's pleasure is more important than many people's comfort and safety.

Yours

Jill Marfleet
