Dear Sir

Rother Valley Railway (Bodiam to Robertsbridge Junction) Order

I write to object to the proposal by Rother Valley Railways to extend the steam railway line from Bodiam to Robertsbridge.

As a fairly frequent user of both the A21 & the B2244 roads the installation of level crossings particularly on the busier A21 trunk road will cause unnecessary congestion & delays. I believe that also there will be considerable environmental damage.

Yours faithfully

(F.R.I.S.
