**Subject:**

I am writing to you apposing the proposed steam railway. I live adjacent to the A21. This road is extremely busy at all times. Two hundred lorries a day leave the Gypson mines. A level crossing on the A21 would cause unbelievable delays. We are farmers and use the road frequently with farm machinery. It is already very difficult to access the road from Poppinghole Lane. I hope you will listen and understand, local points of view.
