Subject: CPO Salehurst and Robertsbridge, East Sussex

Dear Sir

Re : CPO for the reinstatement of Robertsbridge to Bodiam railway as proposed by RVR

I wish to **register my objection** to the above as I believe the compulsory purchase of good, fertile, useable farmland for the purposes of creating a 'hobby' railway which benefits a minority of residents, several of whom do not live locally, cannot be morally justified. CPO's for major infrastructure projects which benefit the country can be justified, projects as the above cannot be allowed to deprive communities and farmers of valuable land resources.

Yours
