Subject: Save Rother Valley

Dear Mr Grayling,

We are writing to you in regards to the proposed extension of the Rother Valley Railway. We strongly oppose this extension as the impact on local farmers, businesses, residents and wildlife will be significant. The A21 is a major traffic route and putting a level crossing on this road is just outright dangerous.

It will result in huge delays for everyone concerned. This is basically a non-essential railway line, which will not bring any real economic benefits to Robertsbridge or the surrounding area, so why does it need to be extended?

Yours sincerely

Philip & Samantha White
