Subject: Re: Proposal for a level crossing for the Rother Valley Railway (RVR)

Sir/Madam

I am contacting you to object to the above proposal for what must be obvious reasons this would cause:-

Further delays for journeys to/from Hastings and the surround areas only accessible from the A21.

Increased pollution from queuing traffic at the three crossings proposed.

Also level crossing are extremely dangerous and go against the normal ethos that they should be removed where possible.

Kind regards

Jim Reynolds
