Subject: RVR Railway Robertsbridge TWOA

This issue has become so divisive in our community with a very vociferous (and quite recent) campaign of those opposed to the reinstatement of the line from Robertsbridge to Bodiam, possibly by a TWOA. There is no doubt also a sizeable and significant amount of "silent" residents who are in support of the Railway. A **Public Enquiry** where the Reports and views of experts can be examined fairly as well as the views of residents for and against now seems essential. I hope the Secretary of State will take this course.
