**The Transport and Works Act 1992
RVR (Bodiam to Robertsbridge Junction) Order**

Dear Sir

I wish to support the application by Rother Valley Railway Ltd for a TWA Order because:

My wife and myself are of the opinion that the proposed link-up with the current Kent and East Sussex Railway from Bodiam to Robertsbridge will be most beneficial in all areas, be it an increase in tourism, local trade, and connections to various other places of interest, all the way down to Battle, Hastings and Rye.

Also enhancing further employment prospects in full- or part-time positions, plus volunteer staff. The RVR is fully committed to the protection of wildlife all along this extension, and we maintain that any disruption to traffic flow on the A21 will be absolutely minimal, and of no great consequence as the traffic lights at the Salehurst junction roundabout.

RE: ROTHER VALLEY RAILWAY (BODIAM TO ROBERTSBRIDGE
JUNCTION) ORDER.
