**The Transport and Works Act 1992
RVR (Bodiam to Robertsbridge Junction) Order**

Dear Sir

I wish to support the application by Rother Valley Railway Ltd for a TWA Order because:

We are regular users of the K.E.S.R. and feel that this extension to the line would be beneficial. Not only for the K.E.S.R users but for the local community. Most heritage railways offer educational visits so this could benefit future generations. With the increase in passenger numbers it would also benefit local amenities with increased trade opportunities. So all in all I think this project should go ahead and I look forward to travelling the whole length of the line.
