Dear Sir or Madam,

I totally agree with the re-connection of the Kent & East Sussex Railway to the mainline network at Robertsbridge. I believe this will bring an estimated 4.1 million pounds in revenue to the local area, Rother District, East Sussex, Ashford Borough and tourism. Furthermore it will keep a lot of cars off the road as more people will visit by rail.

I personally live in Ashford and my postcode is:  
see this line completely restored historically.

but I regularly use the K&ESR and would love to

Kind regards,

David Rains MBE
