Shenaz,
My address is:

I used to live in Kent hence my interest in the Rother Vally Railway.

Kind regards,

Gavin

Subject: Rother Valley Railway (Bodiam to Robertsbridge Junction) Order

Dear Sir,
I have been made aware of this application and wish to record my support.
As the Government encourages further reductions in the use of fossil fuels then local railways will return to the fore and, as such, organisations such as the Rother Valley Railway should be encouraged to re-instate lost infrastructure which can then be made available for modern traction when needed.

Kind regards,

Gavin
