Subject: Rother Valley Railway A21 Crossing

Dear Sirs,

Could I please submit my wholehearted support for the application for a Transport & Works Order by Rother Valley Railway.

As a business owner in Battle, I use the A21 frequently, and the idea that the level crossing would cause serious problems seems utterly ridiculous.

The benefits that the extended heritage railway will bring to the local area far outweigh any issues with traffic on the A21.

Please do not give weight to the objectors to this T&WO, who seem to have some sort of agenda.

Regards
