RTANDWORKSACT

or A21 Level Crossing Robertsbridge

crossing on the A21 by the Rother Valley Railway.

expansion of the Rother Valley Railway. I believe it is important to  
ge and Bodiam not only for rail heritage but for the local economy.

issex Railway it is necessary to travel to Tenterden which requires  
ent bus service. Reconnecting the previous section between  
ater access for visitors and less mobile persons wishing to  
efully this result in a boost to businesses not only in

erver that many people are objecting to the proposed level  
bikers who were surveyed on the annual May Day Bike Run.  
think it is unfair to use the opinions of persons who do not live in  
he Department for Transport may make.

ery weekday and occasionally hear locals from Robertsbridge  
the steam railway. Unfortunately Robertsbridge appears to be a  
with money have very strong objections to their sleepy little village

ge may be blissfully unaware that the railway opened in 1900 and  
it's closure in 1961.

ide suffering the barrage of steam whistles and the smell of coal by  
eing run every day. It is my belief that many are using this  
Rother Valley Railway in an attempt to keep Robertsbridge  
at they have become accustomed to.

ist Sussex Railway or Rother Valley Railway and am unbiased in  
.
