Dear Angela,
Sincere apologies, I know I should have included my address.
David Osborn

Best regards

Subject: "Rather Valley Railway (Bodiam to Robertsbridge Junction) Order"

This application for a TWAO to re-instate the remainder of the railway track between Robertsbridge Junction station and Bodiam station will not only bring long term economic benefits to the immediate and surrounding area in the long term when completed, without cost to public funds, but in the interim period when the necessary works are underway additional funds will be spent in the local area, again without cost to public funds.

The Rother Valley Railway Limited appears to have taken and will continue to take all reasonable steps to minimise the impact of the re-instated railway on the local area by, for example, ensuring minimum disruption to the flow of traffic on the A21 or on protected species by relocation, if necessary, in a manner agreed with the relevant authority.

This TWAO, if approved, can only provide additional benefits in the overall economy.
