**The Transport and Works Act 1992
RVR (Bodiam to Robertsbridge Junction) Order**

Dear Sir

I wish to support the application by Rother Valley Railway Ltd for a TWA Order because:

In my opinion reconnection of the Heritage Kent & East Sussex Railway with the main line Railway at Robertsbridge will significantly increase visitor numbers and Tourism to the local Rother area, and provide an enormous boost to the economy of the District, without increasing congestion on the local roads, I also think the National Trust at Bodiam Castle would benefit from the extended Railway, as driving to the castle and parking can be very difficult at peak times.

Name:

Colin Edwards.
