Re: **Transport & Works Act 1992**      **RVR (Bodiam to Robertsbridge Junction) Order**

Dear Sir,

I am in favour and support the application by Rother Valley Railway Ltd for a TWA Order on the proposal to extend the track from Robertsbridge to Bodiam as local residents with children.

We often walk into Battle so the cheap family tickets from here to Robertsbridge makes it easy to get to Robertsbridge and the adjacent Robertsbridge Junction station.

To be able to take the children on a train direct to Bodiam with the castle and boats on the Rother makes it a complete day out the children love.

There is the added benefit in a country where James Dyson has encouraged youth to become interested in engineering that steam engines might kindle an interest in that in my children.

The proposal will obviously benefit Robertsbridge but it will also be a benefit to all working class families.

Yours sincerely,

Mrs. Syreeta Watts
