The Transport and Works Act 1992
RVR (Bodiam to Robertsbridge Junction) Order

Dear Sir

I wish to support the application by Rother Valley Railway Ltd for a TWA Order because:

I believe the reinstatement of an historic railway link will benefit tourism in this area, bring increased economic activity.
Reconnect Tenterden to main line railway over an important historic railway. (First light railway order). Tourism to Bodiam Castle will increase, along with education benefits from understanding transport links, flood precaution in this area.
Although I am not local to the area, I discovered it many years ago through railway history.
As a result I plan to retire around this area in the next 5 years.
