

OP-INQ-97

Hi Joanna

Having considered the leaflet drop map (Re: Leaflet Distribution Area 5 A – Round 2 Distribution included within the attached document) I have two concerns:

- 1) Were Newmarket Football Club and the New Cheveley Road allotments leafleted given their proximity to Weatherby?
- 2) The roads to the southeast of New Cheveley Road, including The Drift, Malvern Close, Barry Lynham Drive (see map at end of email for these streets) appear to be less well leafleted than other areas, but it is hard to see the detail on the map submitted by Network Rail. Were all addresses leafleted on these streets?

Would it be possible for the Inspector and/or Network Rail to consider these concerns following Network Rail's submission of the leaflet map?

Kind regards

Sara
