Subject: proposed foot path

Network rail Cambridgeshire Level Crossing reduction

I am writing to OBJECT to the transport and works order TWOA proposed diversion of existing public right of way, as this new proposal would run next to

our property, we have three Objections, 1 possible loss of trees next to our property which will increase noise levels, 2 loss of privacy, and increased risk of

Burglary, we would be happy to discuss these objections we have raised.

yours faithfully

Mr & Mrs B Akred
