We recognise that there are other matters that to be resolved including sites that were closed at the time of the

In recognition of the project timescales our survey sub-consultant have already been in contact with CCC's street works team with a view to potentially commencing these surveys on 7th October. As a result, we would appreciate any comments on these proposals as quickly as possible and if you are able to get back to us by close of play

I hope this is helpful but if you'd like to discuss this further please don't hesitate to contact us.

June surveys and we will contact you to discuss these separately.

tomorrow it would be very much appreciated.

Many thanks.

Kind Regards,

Mark
