The Secretary of State for Transport
c/o Transport and Works Act Orders Unit
Department for Transport
Zone 1/18, Great Minster House

4th May 2017

Dear Sir,

**The Transport and Works (Applications and Objections Procedure) Rules 2006
Proposed Network Rail (Suffolk Level Crossing Reduction) Order
Representation by Tarmac Aggregates Ltd- S08 Stacpool
Notices 633 (Plot 1); 641 (Plot 2); 644 (Plot 3); 650 (Plot 4); 653 (Plot 5); 655 (Plot 6); 657 (Plot 7);
660 (Plot 8); 669 (Plot 9)**

I refer to the nine Notices listed above sent by Bruton Knowles to our Company Secretary in their letter dated 23rd March 2017.

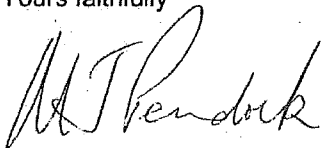

My Company have a freehold and leasehold interest in land affected by these proposals as shown on the plan attached (ref B181-ExAgJan17).

We do not object to the proposals set out and look forward to working with Network Rail at the implementation stage. However, we would wish to make the following comments:

- There may be a need for additional signage for footpath users over the railway bridge to ensure that they are aware of its use by vehicles;
- An underground LV power line is shortly to be installed parallel to the railway line and close to the route of the footpath (Plot 06). Any supports for the fencing will need to ensure they avoid the power cable.

Can you ensure all communication is addressed to Michael Pendock, Estates Manager at the address shown below.

Yours faithfully

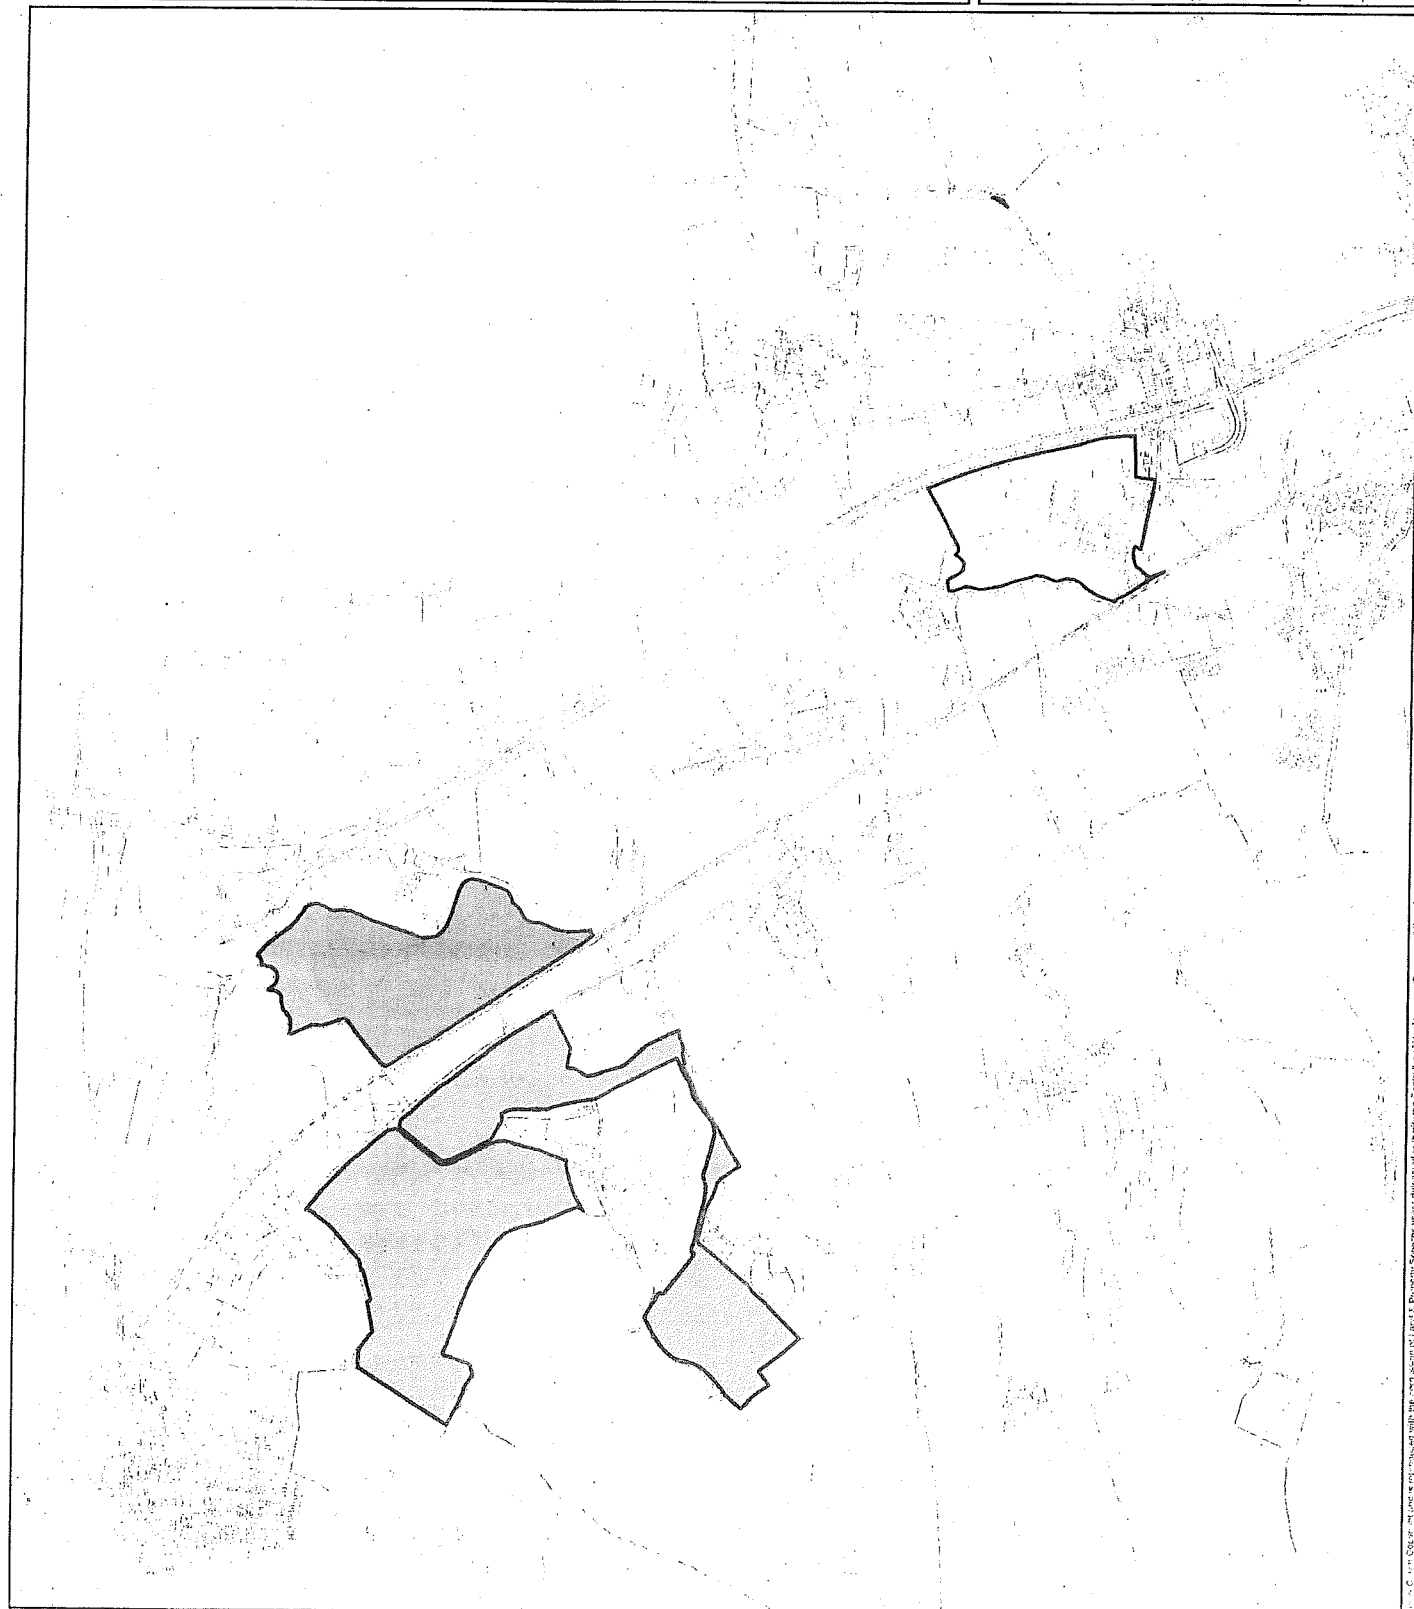

M J Pendock
Estates Manager
