Dear Sir/Madam

I am emailing you to strongly object to the planned closure of the Weatherby crossing in Newmarket, Suffolk

I use this crossing every day for a variety of reasons as I live 1 minute away from it. I Walk my dog, go to the shops, run, go to the Newmarket football ground this is amongst the reasons.

I would be angry if this crossing closed and meant a further ten minute journey round every time.

If you are planning on closing at least create a footbridge over the crossing or something such.

I see hundreds of people using the crossing every day so it is massively used.

Please do not close.

Kind regards

Mr Daniel Wright
