**Subject:** Suffolk level crossing reduction order

Dear Sir

Ref; closure of rail foot crossings in Brantham, Suffolk.

SO1 Brantham(Sea wall) foot path 13 and SO2 Brantham High Bridge foot path 6.

I understand that a proposal to permanently close the above rights of way giving access to the Stour Valley Way and SSSI adjacent to the River Stour in Brantham is under review.

As a long term resident of Brantham, I wish to strongly object to this closure as this is a frequently walked and much loved route for myself and my family.

Yours faithfully
