Subject: Caroline O'Neill statement of case

Statement of case weatherby crossing Newmarket .

I object to the closure of the weatherby crossing as it halves the distance to the town and as I have a heart condition get tired very easily . I have used this crossing for over 20 years . I would accept a walkway bridge as an alternative . Also this would greatly affect the elderly and disabled in the area if closed. This crossing has been here since the railway was built and the road to the town that the railroad intersected since time immemorial. Surely pedestrians should come first , we are kinder to the town than taxis and we leave zero carbon footprint.

Regards David Turner
